Sandeep Shrestha

Third year CSIT student @ASCOL
Kathmandu, Bāgmatī, Nepal

Summary

As a dedicated computer science student, I am passionate about leveraging technology to solve complex problems and enhance user experiences. With a solid foundation in programming languages such as C, C++, JavaScript and SQL, I am eager to apply my skills in innovative projects and contribute to meaningful projects.

Experience

Code for Change
Colleg Representative
February 2025 - Present (2 months)
Kathmandu, Bāgmatī, Nepal

I've been honored with the role of Class Representative (CR) for the tenure 24/25 at Amrit Campus (ASCOL)! Looking forward to collaborating with my peers, fostering a positive academic environment, and learning from the incredible individuals around me. Here's to growth, leadership, and making meaningful connections! #

May 2024 - Present (11 months)
Amrit science campus

executive member of ASCOL IT CLUB

Hult Prize at Amrit Science Campus

Event Team

November 2024 - February 2025 (4 months)

Kathmandu, Bāgmatī, Nepal

Teamwork makes the dream work! Had an amazing time collaborating with the event team for the HULT Prize ASCOL 24.25. We learned so much from each other and successfully pulled off a fantastic event. Grateful for this experience and the connections I made.

Kalpabriksha Nepal

Volunteer

January 2025 - January 2025 (1 month)

It was truly inspiring to be part of an event focused on "embracing the difference." I learned so much, from valuable soft skills like public speaking to the importance of inclusivity and diversity.

Grateful for the opportunity to contribute and connect with amazing people.

Hackademia

Hackademia College Ambassador
